*Le nostre tecniche di cucina prevedono l'utilizzo di alcuni ingredienti congelati/surgelati. Il pesce crudo, o praticamente crudo, ha subito il "trattamento di bonifica preventiva"; per voi a disposizione l'elenco dettagliato per ricetta degli ingredienti, compresi i prodotti congelati/surgelati, gli additivi e gli eventuali allergeni presenti.

*Our cooking techniques involve the use of some frozen ingredients. Seafood intended to be eaten raw or nearly raw has undergone precautionary freezing treatment. Our staff will be happy to provide you with a detailed list of the ingredients used in each recipe, including frozen products, additives, and possible allergens that might be present.
